Prep Lads Never Have Chance Until Eighth, When They Score Twice.

Ashland, Va., May 4.—Randolph-Macon College defeated the Randolph-Macon Academy of Bedford City here today 6 to 2. The Bedford boys never had a show until the eighth inning, and then it was the second team that pitched them. The two runs, three hits and four errors of the academy were all in the fourth inning, with three men on bases and none out. The game was fast, and both teams played good ball. The Yellow Jackets hit were timely, and resulted in runs, while the academy kept the hits of the academy boys scattered. Marston pitched the last scattered hit, and the academy was unable to strike out two men. The score:

# CORNELL VARSITY CREW BREAKS DISTANCE RECORD

Ithaca, N. Y., May 4.—The Cornell varsity crew broke all records for long distance rowing on Cayuga Lake when it paddled up the lake to Frontenac and back a distance of twenty-five miles. The long row, which occurred on Saturday, had been kept secret, but the fact leaked out to the Techs. The crew paddled at least four miles further than did Dole's crew of last year, which established the previous record. When the big eight pulled into the boathouse, the men were all in splendid condition, and their work today showed no ill effects of the grind.

# INTERNATIONAL POLO GAMES NOT LIKELY TO TAKE PLACE

Sorry Showing of English Team Indicates That Challenge Is to Be Withdrawn.

London, May 4.—It is altogether probable that there will be no international polo at Meadowbrook this year. As foreshadowed by the International News Service cable from the English polo expert yesterday, the London newspapers print scathing roasts of Lord Wimborne's team exhibition on Saturday. The Daily Telegraph's expert declares:

"The only good thing about Saturday's match was the condition of the grounds."

The British team is far below the standard of efficiency necessary for them to make even a forlorn fight for the international trophy. Rumors that there would be radical changes in the line-up were today augmented by the fact that Lord Wimborne's team is possible to postpone his challenge until next year. In any event, the International News Service learns on good authority the matter will come before the International committee tomorrow, and it is pretty certain Wimborne will be urged to withdraw his challenge.

Rather than disappoint, it is learned today that Lord Wimborne will try to get a scratch team together to play a series of games at Meadowbrook—"just for the sport."

It is positive that two of those announced as members of the challenging team are no longer connected with the team. They have informed Wimborne in no uncertain manner that they must be excused from making the trip, and that their decisions are unalterable. Lord Wimborne is bitterly disappointed over the discouraging turn of events, after the enormous expense of sending the men and seventy ponies to Madrid for ten weeks' practice.

# IRISH CHAMPION PROVES MASTER OF WILY GREEK

Mike Donnelly Wins From Kervaras in Two Straight Fights—Audience Pleased.

Mike Donnelly, premier wrestler of Ireland, last night demonstrated before an enthusiastic audience, assembled in the Academy of Music, that he was justly entitled to the honor, when he defeated Kervaras, the Greek lion, in two straight falls. It was one of the most interesting matches ever witnessed in Richmond. Both men, anxious to win, made every move carefully, and while at times the going was slow, it was more so because of the methodical nature of the contest. Time and again the crowd was brought to its collective feet by the cleverness of the big fellows.

Not only did Donnelly clearly demonstrate his ability to throw the Greek, but it was the general impression that he had just when there two will get together had not been definitely determined. Both the 12th and 24th of the month are available, and it will depend entirely upon Koller when the match will take place. Donnelly is ready right now, and he is absolutely certain that he can take the measure of the Greek last night was a pleasure to witness. He matched his wit and ability against the strength and size of Kervaras, and science won out.

The first fall consumed exactly one hour and one minute, and was accomplished with a leg hold, inflicting agonizing punishment about the middle of the first and second rounds, and the Greek, in a combination head and leg hold, employed. Fat MacDonald was the third man in the ring, and performed his duties to the eminent satisfaction of all.

Defer Four-Mile Race. New Haven, Conn., May 4.—Because of the weather, the proposed four-mile race between the first and second crews was deferred till tomorrow, when the test, which will probably decide another shake-up, will be held.

They have informed Wimborne in no uncertain manner that they must be excused from making the trip, and that their decisions are unalterable. Lord Wimborne is bitterly disappointed over the discouraging turn of events, after the enormous expense of sending the men and seventy ponies to Madrid for ten weeks' practice.

# GENERAL VILLA WINS AT HAVRE DE GRACE TRACK

Namesake of Mexican Chieftain Romps Home Way Ahead of His Field.

Havre de Grace, Md., May 4.—General Villa, a two-year-old, named after the Mexican chieftain, but owned by Frank Coleman, a Westerner, won the first race handsily today. Coleman knows the cap of Torrono intimately, and had telegraphed him that his namesake would take today's opener. It is said there is good reason to believe that Pancho had a goodly roll up on the race.

The Pottsville selling stakes attracted most interest of the races on today's card. Ross Surgeon scored over the odds-on favorite Jesse, Jr. Surgeon was skillfully handled by Jockey Callahan.

The racing here closes tomorrow, after one of the most successful meets in the track's history.

# TIGER THIRD BASEMAN IS OUT OF GAME FOR KEEPS

Princeton, May 4.—"Ted" Reed, the Tiger third baseman, is permanently out of the game as a result of this afternoon's contest with Lawrenceville. While stealing second he twisted his ankle so badly that he will not be able to play again this season. Law will probably be shifted from short to fill Reed's place, and Gill will resume his old position at short.
